### Goldfishing – Holmens Gård

The last paradise spots on earth will never be for sale. We're talking about Nature's greatest secrets. Those places on earth where time stands still, where the scent from wood fired smoke saunas and the movement of the great pike in the reeds merges with the crackling sound from the campfire. Your own guide will take you to your very own secret lake, where you can experience fishing out of the ordinary. The cabins are situated close to the waterside and are surrounded by beautiful scenery. Specially selected produce is prepared and enjoyed in all its simplicity. The superb fishing around Holmens Gård cannot be described in words: it has to be experienced with all the senses.
