## Majblommegården

### Fishing weekend Majblommegården

Enjoy pike-perch, perch and bream fishing in the lakes Åsunden and Sämsjön. Over a long weekend you'll have time to go fishing by boat and float-tube under the supervision of experienced fishing guides. On one of the days, you take a motorboat onto the Lake Åsunden and fish by yourselves. The last evening of your stay we will arrange a barbecue, and you can relax in the sauna by the lake. Your accommodation, Majblommegården, is beautifully located right next to the Lake Åsunden, and the food is prepared from fresh local produce. If you desire, we also have a wood fired sauna raft which can be taken out into the middle of the Lake Åsunden, from where you can enjoy the sauna. If you're interested in wine and cheese tasting, we can arrange that too.
