Majblommegården

Fishing experience for youth – Majblommegården

You will enjoy a few delightful days fishing on the lakes Åsunden and Sämsjön. You will fish from a trolling boat, slide forward in a canoe and experience some exciting and enjoyable float-tube fishing. Just for a change, you take part in a competition game and you will learn how to ride four wheel buggies in the woods. The last night of your stay we will round off with a barbecue evening around the campfire by the lake.
