Nordhagen Fishingcamp

Living and fishing from your own island in the Lake Åsunden – well known for its exceptional pike-perch, pike and perch fishing!

You will be staying in a comfortable caravan on an island with connection to the mainland and a small road that takes you all the way there. A fishing guide will provide you with an introduction. In addition, you may choose a day to go out with a fishing guide who will show you all the best fishing spots in the Lake Åsunden. Or why not an evening of fly-fishing for trout and rainbow trout in the pond close by? Our canoes will take you to the nicest reed areas around the beaches of Lake Åsunden.
