Roasjö

Raft fishing and ATV experience – Roasjö Conference

Together with our experienced fishing guides we will organise a fishing programme according to your wishes. We offer you everything from float-tube fishing, spin fishing, coarse fishing and trolling to jerk bait fishing. You will drive to distant meres around Roasjö on your four wheel buggies. On the journey, you'll have time to fish both from the boat and from land. We will escort you to a fishing raft, from where you will be able to fish in comfort and enjoy a delicious barbecue meal. When you come home in the evening you will have access to our very own pub, where you can brag about the day's big catch. The Roasjö Conference Centre offers you good food in a rural and relaxing atmosphere.
