## Tranemo

### Coarse fishing week in cabins – Tranemo

Enjoy a week of coarse fishing for your favourite fish at, among other places, Lake Grytteredssjön and Lake Simmesjön. You will stay in your own self-catering cabin. During the entire period of your stay, you will have access to a boat with an electric motor, and on your arrival a guide will introduce you to the fishing. The coarse fishing areas are well prepared and groundbaited before you arrive. By the Lake Grytteredssjön we have organised "Swims" for those of you who wish to coarse fish from dry land. You might also choose to do some jerk bait fishing, paravane fishing and an evening of crayfishing – or sea fishing in the Kattegat outside of Falkenberg. The cabins are situated in beautiful countryside with creeks and lakes near the municipality of Tranemo.
